QUEEN ANNE

Queen Anne.

The next in a fine line.

For over 180 years we've set the bar, and then raised it. We've constantly refined the definitive experience of ocean travel. From this spirit comes the finest ship of its era, Queen Anne. Due to grace the seas in early 2024, our 249th addition to the fleet extends the Cunard Line for future generations. Designed with distinction, we invite you on board to discover a ship that is modern, yet timeless.

Every detail has been considered to instil a sense of occasion, and to ultimately give you more choice. We invite you to delight in the new experiences on board alongside renowned signature spaces from across the fleet. Many of our popular venues have been reimagined, while staying true to the much-loved hallmarks of our brand.

On a Queen Anne voyage feel inspired by the blend of classic and contemporary, with the freedom to do as little or as much as you choose, and indulge in everything that makes a Cunard ship so special. We look forward to welcoming you on board.

Where nothing comes as standard.

Queen Anne's breathtaking interiors take inspiration from our past to define a striking new design direction for our future.

Having been immersed in the Cunard archives, the designers, whose portfolios include luxury hotels, high-end yachts, and private grand residences, have ensured that Queen Anne exudes classic Cunard style while showcasing many new considered touches.

Queen Anne's distinctive design language is echoed throughout, reinterpreting influential styles of the past and celebrating the beautiful art deco style finishes that Cunard is known for.

Feel inspired as you stroll through decks adorned in an impressive art collection or enjoy that special feeling as you descend into the Grand Lobby in your Gala Evening finery. Delight in our world-famous Afternoon Tea served in the exquisite Queens Room or decide to spend your days and evenings relaxing in more casual surroundings. As always with Cunard, the choice is yours. Queen Anne becomes your new home as soon as you step on board and breathe in the true Cunard experience.

And then to dinner.

Relish in the pleasure that is dining on board Queen Anne. Like her fellow Queens, our newest ship leaves nothing to be desired when it comes to cuisine.

Queen Anne offers dedicated restaurants corresponding to her four accommodation categories. Each of these boasts a menu that showcases the finest ingredients from all over the world. Alongside our glittering main restaurants, Queen Anne offers an array of alternative dining options.

Your choice of authentic cuisine includes Mediterranean, with a restaurant whose menu features both familiar and perhaps unexpected dishes. Delight in the delicate and fragrant flavours of the East at the Pan-Asian restaurant or enjoy tastes of India, with dishes made using rich and aromatic spice blends. When you're in the mood for an indulgent steak and perfectly paired wine, choose the flagship steakhouse and grill, or maybe head for tapas if you'd like an evening filled with plenty of options. You'll also find a generous menu of pub classics at the Golden Lion or you can choose from a range of healthy options at The Pavilion Wellness Café.

Whatever you choose, revel in fine, flavoursome cuisine without compromise.

Queen Elizabeth.

Christened by Her Majesty The Queen, Queen Elizabeth, pays tribute to classic art deco design; styling that has won her numerous accolades.

The heyday of Hollywood glamour is instantly evoked in her elegant wood panelling, gleaming chandeliers, and marble flooring but nowhere more so than in her triple-height Grand Lobby; its sweeping staircase dominated by a marquetry-panelled portrait of the original RMS Queen Elizabeth.

For relaxation, Queen Elizabeth offers spacious decks, a Garden Lounge – based on the hothouses of Kew Gardens – and a unique Games Deck, where you can try your hand at croquet, bowls, or paddle tennis.

Queen Victoria.

Similar in size and layout to Queen Elizabeth, but with her own distinct personality and feel, Queen Victoria's classical decor has an Edwardian elegance, executed with Cunard's hallmark flair.

She's also the holder of several firsts. The first Cunard ship to have a female Captain – Inger Klein Thorhauge, and the first in the world to offer private theatre boxes at sea.

Fans of Queen Victoria often remark on her unusual cosiness. Because, while she's every inch a grand ship in size and decor, she has a particularly warm and intimate feeling throughout.

Asia, by Cunard.

Discover a world steeped in history yet driven by innovation, where time-honoured traditions are held dear, yet nothing ever seems to stand still.

For a truly sensory experience, there's nothing quite like Asia. A region synonymous with enchanting contradictions, the sights, sounds, and scents of these fascinating nations are sure to astound you.

Nowhere embodies this spirit quite so well as Singapore, where ancient shophouses offer a window into the past, and contemporary additions, such as the magical Gardens by the Bay, lend the city a futuristic feel. Savour the opportunity to step out after dark, with an overnight port call on selected voyages.

Sailing to Vietnam introduces a multi-layered melting pot of history in Ho Chi Minh City, while arriving in Chan May gives you a choice between visiting the UNESCO-listed Imperial City of Hue, or the heavenly sands of Da Nang's beaches. Indonesia, meanwhile, brings the charm of Jakarta's old town, Kota Tua, and the intricate Hindu temples of Bali, the Island of the Gods.

Queen Elizabeth will make several Japan circumnavigations in 2023 and 2024, offering the opportunity to visit Akita's sake breweries, Hiroshima's Peace Memorial Park, and Kanazawa's castle, plus maiden calls to Beppu and Sasebo. Selected voyages also offer time ashore in Taiwan and Busan, where Buddhist shrines and the homes of former emperors are among the sights to savour.

Australia and New Zealand, by Cunard.

Delve into voyages of adventure throughout Australasia, exploring world-famous landscapes and coastal cities with rich cultural heritages.

Combining gorgeous beaches, colourful reefs, and bustling cosmopolitan cities, voyages to Australia offer the perfect balance of relaxation and discovery. Admire Sydney's iconic Opera House, perhaps on an overnight port call, or indulge in a crisp glass of wine in one of countless local vineyards.

In the historic port of Fremantle (Perth), the botanical gardens at Kings Park are highly recommended, while a visit to the famous Magill Estate in Adelaide is a must. Easy-going Cairns is your gateway to the colourful marine life of the Great Barrier Reef, while Hobart's fashionable Salamanca Place and historic Battery Point await on the island of Tasmania.

Then comes New Zealand. Boasting some of the most breathtaking landscapes in the world, the islands are a firm favourite with travellers of all ages. Be captivated by vivid tones of blue and green as you traverse Fiordland National Park and the beautiful Bay of Islands, keeping a watchful eye for curious whales and dolphins.

Dunedin's Maori heritage and Auckland's impressive gastronomy will enhance your visit to New Zealand further and you could time your voyage over Christmas and New Year to celebrate in ultimate style.

Sydney, Australia

Africa and Indian Ocean, by Cunard.

Delight in sublime beaches and unforgettable wildlife encounters, coupled with the tropical respite of lush sunshine-infused islands.

With glorious coastlines and vibrant cities, a voyage to Africa and the Indian Ocean is an experience that will stay with you always.

Cradled between majestic mountains and the Atlantic's Table Bay, iconic Cape Town is a destination that never fails to enchant. Ride the cable car to the top of Table Mountain and drink in the spectacular panoramic views or catch the ferry to Robben Island for a guided tour of the UNESCO World Heritage Site where Nelson Mandela was once famously imprisoned. Selected voyages even offer an overnight stay in port.

Alighting in Durban you'll discover a fusion of African and Indian influences, where the city's vibrant Botanical Gardens and inviting beaches are just two temptations. Port Elizabeth, meanwhile, unlocks the magnificent game reserves of South Africa's Eastern Cape, while Walvis Bay introduces the possibility of Cape fur seal, whale, and dolphin sightings in Namibia.

In the Indian Ocean, the French outpost of Reunion can only be defined as a kaleidoscope of lush rainforests and waterfalls, inviting you to awaken your inner explorer. Meanwhile, shoppers will love the waterfront boutiques and lively craft market in Port Louis, its many stalls are the perfect place to find a treasured keepsake of your holiday.

USA and Canada, by Cunard.

The vast landscapes of Canada and the United States introduce vibrant cities where the legacies of man and nature are yours to savour.

New York is always a compelling port of call on a voyage to the USA, from the Empire State Building to Central Park, the list of iconic sights never fails to impress. Then there's

Boston, famed for its links to the American Revolution, which are documented in the city's unmissable Freedom Trail.

Away from these iconic cities, you'll discover New England's gorgeous beaches and characterful coastline. In Newport, Rhode Island, be met with vistas of gilded mansions and historic lighthouses, not to mention its renowned, yacht-filled harbour.

In Canada, a woodland hike among Nova Scotia's pine trees offers a lovely way to while away an afternoon in Sydney, whereas an ever-vibrant art scene is a highlight in Halifax.

Sept-Îles will astonish with its stunning scenery and rich Innu culture, while Saguenay (one of the best places in the world for whale-watching) reveals a majestic fjord and picturesque villages.

Canada's crowning glory, however, must be the beautiful walled city of Québec. Brimming with French culture, entering its magical old town (a UNESCO World Heritage Site) is like taking a step back in time.

Québec, Canada

Mediterranean, by Cunard.

Launch your exploration of the Mediterranean from Southampton or soak up the many highlights of this mesmerising region on a Fly-Cruise.

Home to some of the oldest cities in the world, the rich history of the Mediterranean is beyond compare. Walk in the footsteps of gladiators, explore ancient archaeological sites, and revel in the tranquillity of islands where life seems to move at an altogether slower pace.

Enjoy an overnight stay in Istanbul, sipping on rich Turkish coffee and getting lost in bazaars filled with colourful pottery, fabrics, and sweet treats. Nestled in eastern Italy close to the border with Slovenia, Trieste brings a chance to explore Italian, Slovenian, and Austro-Hungarian influences, especially in the medieval old city. Explore ancient Roman ruins in Croatia, and in Barcelona, Gaudi's Sagrada Familia and artwork by Miro and Picasso, are only the pinnacle of the host of experiences available to you.

In the 'Eternal City' of Rome, the Colosseum and Vatican City are just two of the multitude of historical highlights worthy of a visit. Naples, meanwhile, brings the wonders of Pompeii, and Pisa's leaning tower is easily accessed on a tour from Livorno.

Selected voyages also offer the opportunity to transit the Messina Strait, or stop in Cagliari to admire its beautiful hilltop Castello. Then of course there's the Greek Islands of Cephalonia, Corfu, Mykonos, and Santorini, where the sea seems to glint an otherworldly shade of blue. These, together with the Balearic Islands of Mallorca and Ibiza, are sure to inspire lasting holiday memories.

Santorini, Greece

Short cruises, by Cunard.

Escape it all, just for a few days, with time to enjoy the things you love the most, complemented by a dash of exploring.

With the freedom to spend each perfect sea day however you please, and time ashore in one, two, or three destinations, a short voyage is the ultimate way to relax and recharge. Unwind in bubbly whirlpools, indulge in delicious afternoon tea, and savour sparkling entertainment, late into the evening.

Many short voyages call into Zeebrugge, gateway to the medieval architecture and cobbled streets of Bruges. Navigated by horse-drawn carriage, this quaint city exudes a sense of wonder. You'll find the local beer and chocolates hard to resist, while the Christmas market is one of Europe's best.

Hamburg is an equally joyous destination, with renaissance-style arcades and more canals than Amsterdam and Venice combined. Its must-see attractions include the Rathaus, with its spellbinding Great Hall, and Hamburger Kunsthalle, featuring over seven centuries of world art.

The Baltic city of Kiel, gateway to historic Lubeck, seduces with its attractive old town and maritime museum. Rotterdam offers canal-side shopping and bold architecture, and Amsterdam introduces gabled buildings alongside galleries dedicated to Dutch masters.

Calling at Le Havre, meanwhile, unlocks the Eiffel Tower on a tour to Paris, and Cherbourg brings opportunities to explore wartime history in Normandy.

Bruges, Belgium

Whichever voyage you choose to embark on, you'll be transported into a world of unrivalled style, where each day brings you the freedom to do as much or as little as you please.

Car park bookings can be made 72 hours after your cruise is booked and must be made no later than 10 days in advance of the cruise departure date.

Whether you're travelling on one of our short cruises to Hamburg, experiencing one of our glamorous Transatlantic Crossings, or discovering shores further afield, we can arrange and tailor flights to meet your requirements. You can make the most of your destination by extending your stay, or spoil yourself by upgrading your flight.

Holiday Package Add On

Let us take care of the complexities on your fly-cruise holiday by arranging all the necessary flights and transfers, to and from the ship and airport, as well as any overnight hotel stays that may be required.

A Holiday Package Add On includes flights, transfers to/from the ship to the airport and an overnight hotel stay where applicable.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300*.

Upgrade your flight.

We offer the option to upgrade your flights to premium economy, business, or first class on your preferred airline. Upgrades can be booked from 11 months prior to departure, subject to availability.

Change your flight date.

We can also help if you'd like to extend your holiday, either before or after your cruise.

Whether you choose to book a hotel stay through Cunard, want extra time to explore independently, or would like to visit family and friends overseas, we can assist with arranging flights to fit in with your plans.

Simply let us know your preferred dates when you book your cruise, or at least before the balance due date for your holiday.

Please note that should you decide to explore a destination independently, and we have provided your flights, you will need to make your own way to or from the ship on the day of embarkation/disembarkation and, depending on the flights you choose, additional charges may apply.

Regions of the World and Grand Voyages, by Cunard.

Our 'Cruise Only' fares give you the flexibility to make your own travel arrangements. If you would prefer to include a Holiday Package Add On, please call us on 03453 550 300*.

Occasionally, flight times necessitate an overnight stay in the port of embarkation/disembarkation, in which case hotel accommodation will be provided.

Whether you're flying straight to your ship, or have booked a land tour or hotel stay through Cunard, we can help to enhance your journey.

Add another destination.

For longer journeys, you may want to consider stopping en route. For example, you could spend a few days in Dubai on the way to Sydney, or explore Singapore on the way home from Perth.

Alternatively, you could add another destination to your itinerary by flying to a different city before you join your cruise.

For example, why not fly to Boston or Philadelphia before making your own way to New York? If your cruise finishes in Auckland why not explore New Zealand before flying home from Christchurch? Or you could spend a couple of days in Seattle before joining Queen Elizabeth in Vancouver.

Prices will vary depending on the flights that you choose, so please call for a quote.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300*.

Please note that quotations can only be provided within 11 months of the final flight in your itinerary. We will make your flight information available to you as soon as the details are finalised.

See 'Our fares' on page 37 for an indication of benefits.

Please see pages 172-175 for Booking Conditions or visit cunard.com

Overnight flights do not qualify for on board spending money.

Car parking at Southampton

Car parking in a secure car park (one space per booking) is available on all Southampton roundtrip voyages of seven nights or more (with the exception of Oceans of Discovery voyages). Please let us know at the time of booking if you wish to use this service and then contact Cruise & Passenger Services Ltd (the operator) direct on 0345 071 3939 or via cruiseparking.co.uk to arrange your car parking, at least 10 days in advance of your departure.

Return coach transfers are available on all Southampton roundtrip voyages of seven nights or more (with the exception of Oceans of Discovery voyages). Coach transfers are available to all guests on the booking. - ◆ A 15% deposit is required at the time of booking.
- ◆ Your preference of dining time in the Britannia Restaurant will be confirmed on boarding, subject to availability.
- ◆ Cunard will assign your stateroom location and number.

Third and fourth guests.

Some staterooms have accommodation for a third or fourth person. Please visit cunard.com, call 03453 550 300[^], or contact your travel agent for these fares. You can refer to deck plans shown on pages:

Queen Mary 2** – 143–145

Queen Victoria** – 146–148

Queen Elizabeth** – 149–151

Queen Anne** – 152–154

**Although certain Queens and Princess Grill Suites can accommodate a third/fourth berth, these are capacity controlled by the numbers of covers available in the restaurants. Please call for availability.

Children.

- ◆ Unfortunately, Cunard cannot accept any child under the age of 6 months as a guest. We are unable to accept infants of 12 months or less on any Full World Voyage, Grand Voyages, or Transatlantic Crossings.
- ◆ Children pay the applicable adult per person fare when travelling as a first or second guest.
- ◆ Infants aged between 6 months and 2 years, accommodated as a third or fourth guest in a stateroom, travel free on board. A nominal fee may be charged for infants between the ages of 6 months and 2 years where transfers, hotel stays, and air travel are involved, which we will discuss with you at the time of booking.
- ◆ Guests aged 2 to 17 years, travelling as a third or fourth guest in a stateroom, pay the full fare less the relevant third or fourth person discount.
- ◆ Please note that children under the age of 16 are not permitted to travel in a stateroom without an accompanying guest who is aged 16 or over.

Single guests.

Single Staterooms are available on board Queen Mary 2, Queen Victoria, and Queen Elizabeth. Alternatively, single guests wishing to travel in a double stateroom can pay the relevant 'sole occupancy' supplement as follows:

Queen Mary 2

- ◆ Grades Q1-Q7, P1-P2 – 200% of the per person fare.
- ◆ Grades A1, A2, BB, BC, BF, BU, BV, BY, BZ, DB, DC, DF, EF, HB, IA, IB, IC, IE, IF – 175% of the per person fare.

Queen Victoria

- ◆ Grades Q1-Q6, P1-P2 – 200% of the per person fare.
- ◆ Grades A1, A2, BA, BB, BC, BD, BE, BF, CA, CB, EB, EC, EF, FB, FC, GA, GB, GC, IA, ID, IE, IF – 175% of the per person fare.

Queen Elizabeth

- ◆ Grades Q1-Q6, P1-P2 – 200% of the per person fare.
- ◆ Grades A1, A2, BA, BB, BC, BD, BE, BF, CA, CB, EB, EC, EF, FB, FC, GA, GB, GC, IA, ID, IE, IF – 175% of the per person fare.

Queen Anne

- ◆ Grades Q1-Q6, P1-P2 – 200% of the per person fare.
- ◆ Grades A1, A2, BB, BC, BD, BE, BF, DB, DC, EA, EB, EC, EE, EF, IA, IB, IC, ID, IE, IF – 175% of the per person fare.

Please note that the percentage of the sole occupancy supplement may be increased without prior notification.

Stateroom changes.

Occasionally it may be necessary for us to change the stateroom that you have booked. Should this situation occur, you can rest assured we will move you to the same, or a higher stateroom grade, at no extra charge.

If you have chosen your booked stateroom for a particular reason – for example a wish to be in a specific position on the ship – and do not want to be considered for a stateroom move, please let us know at the time of booking.

Please note that any stateroom move requested will be made at the discretion of Cunard. If there is no availability on the grade of stateroom you wish to book, we can add you to our wait list and we will contact you if your requested stateroom becomes available.

Guarantee staterooms.

When you or your travel agent make a reservation, you may be offered the guarantee of the stateroom grade, rather than a specific stateroom number. This is because we know from experience that a small number of guests will be compelled to cancel their arrangements, thus leaving the accommodation vacant.

Accepting a guarantee means that you have a firm booking and can go ahead with your holiday plans in the same way as if you had accepted a specific stateroom number from the outset.

When we allocate a stateroom number, you can rest assured you will be given a stateroom of the type you have booked, or in some instances, of a higher grade, though it may be situated on a different deck to that shown on the deck plan for the grade guaranteed. The fare you have been quoted will, however, remain unchanged.

Bar and wine services.

A 15% service charge is automatically added to your on board account, which is shared amongst the beverage team. Naturally, you are free to reward any member of the crew over and above these amounts, at your discretion.

Spa and salon services.

For your convenience a 15% service charge will be added to your account. However, should you wish to remove, reduce, or increase the amount, please make this request during check out.

Travel information.

Your travel agent will be able to tell you if there is any current advice for the countries you are visiting. Alternatively, you can visit the Foreign and Commonwealth Office website at www.gov.uk/foreign-travel-advice.

The information in this section is for holders of British Citizen passports only and is correct at the time of going to print.

Anyone who does not hold a British Citizen passport should check with the embassies of the countries you are travelling to for the most up-to-date information.

A few mindful changes; still your Cunard voyage.

We may have some enhanced well-being measures in place designed to protect the health of everyone on board and in the destinations we visit. As the world evolves, so may our policies and procedures, but rest assured we will have every aspect of your experience with us covered so you can enjoy the holiday you've been dreaming of. To read the latest information relating to our enhanced health and well-being measures please visit: www.cunard.com/sailing-with-confidence.

Passports.

If you are a British Citizen, a full passport is required for all voyages. All British Passports must be valid for travel and have at least six months validity after you return home at the end of your holiday. It is recommended that you have some blank pages in your passport for entry and exit stamps. All British Citizens over the age of 16 require a full 10-year British Passport for all voyages. Children need their own passports. It is important that names and initials on the passport exactly match those on your boarding passes.

To check your passport validity in advance please visit <https://www.gov.uk/check-a-passport-travel-europe>.

Please note that British Visitor Passports are no longer valid. British Subject passport holder requirements may differ so please check these before travelling.

If you are applying for a new passport, please leave adequate time to action your application. Please be aware that if you are applying for your first British Citizen passport, you may be required to attend

interviews prior to the passport being issued. For this reason, we would advise all guests in this situation to allow a minimum of six weeks to obtain their passports. For further information, please contact the Identity and Passport Service Advice Line on 0300 2220 000, visit the website at direct.gov.uk or email: info@passports.gov.uk. If you DO NOT HOLD A BRITISH CITIZEN PASSPORT, your passport, travel documentation, and visa requirements may be different. You should check with your travel agent or our preferred visa supplier, CIBT (0845 899 7256), to ensure you have the correct documentation.

Visas.

The visa advice included in this brochure is applicable to voyages featured in this brochure only and for British Citizen passport holders only. If you do not hold a British Citizen passport your situation may be different and you should seek advice from your travel agent or the relevant Embassy/Consulate.

Your passport must contain adequate blank pages for any visas and subsequent stamps. We suggest that you bring a few photocopies of the photograph/personal details page of your passport with you. This may be necessary for some ports of call.

United States of America (and territories) Entry Requirements

International travellers who are nationals of Visa Waiver Program (VWP) countries, can enter the USA without a visa after completing an Electronic System for Travel Authorization (ESTA). To check your eligibility for this program please visit <http://esta.cbp.dhs.gov/esta/> for all applications and further information.

To apply for your ESTA, please go to <http://esta.cbp.dhs.gov/esta/> and follow the link to the ESTA application site. A third party, such as a relative or Travel Agent, can submit an ESTA application on behalf of a VWP traveller. The current cost of obtaining an ESTA is USD\$21.00, although this is subject to change at any time. All payments must be made directly to the official

Department of Homeland Security ESTA website, using a credit card or debit card. Other websites may charge a higher fee for the same service. CIBT can apply for an ESTA on your behalf for an extra charge – please contact them on 0845 899 7256.

Should you require further information regarding passports or visas, please contact our recommended visa agent, CIBT on 0845 899 7256.

Australia/Sri Lanka

A visa will need to be purchased prior to travel, whether you are embarking, disembarking, in transit, or staying on board. If you decide to apply for your visa(s) through Cunard's recommended agent, CIBT, you will have to pay an additional charge.

Canada

Nationals of Visa Waiver Program (VWP) countries may enter Canada without a visa after completing an Electronic Travel Application (eTA). To check if this applies to you and/or to apply for an eTA please visit: www.cic.gc.ca/english/visit/apply-how.asp

If you do not have a full British Citizen passport, or a passport from another country eligible for the VWP, please check to ensure you have the correct documentation for your holiday.

Egypt

For British Citizens, Irish Citizens, US, Canadian, and European Community passport holders, a Quick Stamp visa for Egypt will be issued upon the ship's arrival in Egypt. Therefore you are not required to obtain an Egyptian visa in advance of your cruise. There is currently no charge for the Quick Stamp Egyptian visa.

Hong Kong

A visa is not required for entry into Hong Kong.

New Zealand ETA

International travellers, who are Visa Waiver nationals, may enter New Zealand without a visa after obtaining an approved New Zealand Electronic Travel Authority (NZeTA). Please note that all guests travelling with an NZeTA must present a print out of a successful NZeTA application at check in. Obtaining NZeTA approval, for most travellers, is simple and easy. To apply for your NZeTA, please follow this link to the NZeTA application website

<https://www.etanewzealand.com/>. The cost of obtaining an NZeTA is currently NZ\$12.00 (however this is subject to change at any time) and payable during the application process using a credit or debit card.

Approved NZeTA applications are valid for a period of two years or until the passport expires, whichever comes first, and multiple trips to New Zealand are permitted without the traveller having to reapply for another NZeTA. When applying for your NZeTA, a tourism levy of NZ\$35 must also be paid, which is valid for the same length of time as the NZeTA.

Indonesia/Jordan/Oman/Papua New Guinea/United Arab Emirates/Vietnam

Visas for these countries will need to be purchased and can be obtained on board. The relevant fee will be charged to your on board account.

South Africa

Guests are required to have two fully blank pages in their passports. If travelling with children please contact the South Africa High Commission for information on 020 7451 7299.

Schengen Visa information

Non-European passport holders may require a Schengen Visa for entry into Continental Europe. The United Kingdom is not a Schengen State member. British Citizen passport holders do not require a Schengen Visa.

Schengen State members are: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland.

Please note that it is your responsibility to have a valid passport and the appropriate visas for your journey.

Travel health information.

Vaccinations

Vaccination requirements vary by destination and change from time to time. We recommend that you seek advice from your medical practitioner or travel medicine clinic at least six weeks before your cruise. You should discuss your personal travel

plans in order to obtain appropriate advice and any recommended prophylactic medication and vaccinations prior to travel. It is your responsibility to have with you any necessary health certificates. Please check below for mandatory requirements.

The seasonal influenza vaccination is recommended for all guests; you should speak to your GP about receiving the flu vaccine before you travel.

The health and well-being of all our guests is important to us. You will find further travel health advice on the UK government funded website at www.travelhealthpro.org.uk.

Covid-19

Please check cunard.com for the latest information regarding travel requirements concerning COVID-19.

Yellow Fever

There are currently no Yellow Fever vaccination requirements for the itineraries published in this brochure. However, this is subject to change, and you are therefore advised to discuss your itinerary with your medical practitioner, or travel medicine clinic, and review any vaccination information provided to you from Cunard before your cruise. You can also find further information on the government funded website www.travelhealthpro.org.uk.

Polio

For certain nationalities there is a requirement to provide evidence of having had a Polio vaccination in the four weeks to twelve months prior to visiting the following countries: Qatar, Oman, Jordan, and Egypt. This requirement is in place for nationals of Polio exporting countries including but not limited to: Afghanistan, Nigeria, Pakistan, and Philippines. This list is subject to change so please discuss with your medical practitioner or travel medicine clinic at least 6 weeks prior to your planned cruise.

Malaria

Guests are strongly recommended to visit their medical practitioner, or travel medicine clinic, to discuss their personal travel plans. Please take a copy of your itinerary, including pre/post voyage travel, with you so a full risk assessment can be made, and the appropriate malaria prevention advice given.

United Arab Emirates/Japan drug warning Queen Mary 2 and Queen Elizabeth

Please be aware that some prescriptions, over the counter drugs, complementary therapies, and other medicines that are purchased in the UK may be illegal in the United Arab Emirates and are therefore banned in the country. Japan also has rules regarding such medication. Codeine, for example, is banned and no products containing codeine, which may include paracetamol, may be imported or sold in the United Arab Emirates. An Import Certificate from the Japanese Authorities would be required in order to take such products into Japan. Penalties can be severe if banned substances are found when entering these countries.

If you are taking medication and are in any doubt then please contact United Arab Emirates London Embassy Medical Department on + 44 (0) 207 486 6281, or the Japanese Embassy on +44 (0) 207 465 6500 prior to your arrival. You may also check for further information at www.fco.gov.uk.

Anyone travelling with medications and/or syringes to any country should carry a prescription with them. All medications should be kept in their labelled dispensing bottles or packages. If the medications are "controlled" or injectable drugs, it is also advisable to carry a doctor's letter.

Required hotel stays.

Cunard can arrange flights and transfers for you to join your ship when you purchase a Holiday package Add on. Where the included flight timings necessitate a pre-/post-cruise overnight stay, Cunard will include a hotel room at the international port of embarkation/ disembarkation for the night before or after your cruise.

This accommodation will not be assigned until 30 days prior to your sailing and for operational reasons will be subject to change right up until the date of your stay. You will not be eligible for compensation in the event of a change in hotel and our cancellation terms will apply as per the cruise Booking Conditions on pages 172–175. For required hotel stays, airport hotels may be used, avoiding long transfer times and allowing guests the chance to rest before or after a long flight. If you wish to have time to explore your

city of embarkation/disembarkation, we recommend you book one of our hotel stay packages. If you are booked on one of our hotel stay packages, or land tours, on the same date as a required hotel stay, you will not be eligible for the required hotel stay.

International flight arrangements.

If you have booked a flight through Cunard, this will be in economy class flights from/to the UK, along with any necessary transfers at the overseas airport on the day of embarkation/disembarkation. For up-to-date pricing and available airports please visit our website, contact your travel agent, or call our Contact Centre. The included airports vary by cruise and date of booking, and supplements will apply to other departure airports.

For details of how we can tailor your flights, please see page 125.

Baggage allowance.

Baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at cunard.com, after the time of booking. While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

Excess baggage.

Airlines are increasingly enforcing stricter control over excess baggage. You should be aware that if you exceed the baggage allowance referred to on your boarding pass, an excess baggage charge will likely be made by the airline at check-in.

Please note Cunard is not responsible for airlines' baggage restrictions.

All flights – please note:

Where the sailing time permits and subject to availability, your flights will be arranged for the day of embarkation/disembarkation.

- a) Flights will not necessarily be direct or non-stop. All flight times, air carriers, and flight routes are subject to change. Cunard has no control over any changes airlines may make to flight times, but will inform you of any changes.
- b) Full details of air travel arrangements will be made available to you via My Cunard as soon as they have been finalised.
- c) When we charter aircraft from an airline, we tailor the services offered to our guests, so these may differ from the airline's advertised services.
- d) We will determine the city airport, e.g. for London either Heathrow, Gatwick, or London City may be used, and this may not be the same for your outbound and return flights. Therefore you may have to transfer, under your own arrangements,

between London airports. For Québec, Québec or Montreal may be used.

- e) Airlines reserve the right to refuse travel on medical grounds. You must notify us of any medical or mobility requirements such as airport assistance (only available after check-in) or taking your own mobility aid. In addition to completing our medical and mobility questionnaire, you may be required to provide additional information directly to the airline in order for them to assess your fitness to fly. Several airlines are unable to carry guests who require additional oxygen for medical reasons for all or part of the flight. Those airlines that can offer this service need to have advance notification to make the appropriate arrangements and any costs must be met by the guest.
- f) In order to comply with Civil Aviation Authority regulations, you must advise us at the time of booking if you plan to carry an electrical mobility aid on board your flight(s). These include, but may not be limited to, electric wheelchairs, electric scooters, and CPAP machines. Information you provide will be passed to the airline so that assessments can be made as to the safety of carrying the equipment on board the aircraft. The airline may require additional information directly from you in order to complete their assessment. Failure to follow this procedure may result in the electric mobility aid not being allowed on the aircraft.
- g) When travelling on scheduled flights, it may be possible to pre-purchase specific seat numbers subject to each airline's policies, over which we have no control. Due to the configuration of the aircraft, it may not always be possible to obtain seats together.
- h) Airlines have entered into codeshare agreements, so you may find that one or more of your flights are operated by one of their partner airlines. We will advise you if this is the case.
- i) For long haul flights, if you have any special dietary requirements, including child meal requests, please advise us at the time of booking, or at least seven days prior to travel. We are unable to guarantee that all requests can be met.
- j) Any amendment or cancellation made prior to departure will incur an administration fee of £20 per person, plus any costs charged by the airline. Costs vary depending on the airline and the change(s) you want to make.
- k) To comply with immigration rules, you must ensure that the name on your booking matches the name in your passport. You will be responsible for all costs associated with a failure to comply with this requirement, such as amendment charges.

- l) If you choose to make your own travel arrangements to join your ship, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection. You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the check-in time stated on your ticket, as our transfers will not be included. You will need to make your own transfer arrangements between the airport and the ship.

Transatlantic Crossings.

- ◆ One-way Transatlantic Crossing voyages, will require the purchase of a flight. Please note that not all regional flights operate a direct service on a daily basis, so indirect flights may be offered as an alternative. All flights are subject to availability. A supplement applies to regional air cities when booking the Early Saver fare.
- ◆ We can arrange domestic flights between Southampton Airport and regional airports around the UK (supplements apply).
- ◆ If you want to fly to/from an alternative US airport, we can also arrange this for you (an additional fee may apply).

Regional departures – please note:

- a) The regional flight supplement is in addition to any Cunard Fare.
- b) Flights are offered subject to airline schedules available at the time of booking. Should subsequent schedule changes result in no regional service being available from a particular airport, no alternative transport will be provided and any regional supplement will be refunded in full.
- c) Regional flights will not necessarily be direct or non-stop.
- d) If a same day connection is not possible, the cost of any overnight accommodation will be at your own expense.
- e) Flights from Guernsey and Jersey can only be booked the day prior to your onward travel, and overnight accommodation will be at your own expense.
- f) If you book regional flights to/from Southampton Airport through us, then the fare includes optional transfers to/from the cruise terminal. If you would rather make your own way between the airport and the port, please advise us at the time of booking.
- g) Transfers between London airports are not included.

Carriage of dogs.

Cunard can accommodate service dogs on certain voyages, depending on the itinerary and according to UK quarantine regulations. Please ensure you contact us prior to booking to ensure your chosen cruise is suitable. Service dogs are accommodated in staterooms with their owners.

Non-service dogs are only carried on Queen Mary 2 Transatlantic Crossings, in kennels, and are not allowed to visit any guest area of the ship. For all dogs, it is your responsibility to obtain the relevant documentation and certificates, and comply with customs requirements, to allow the dog to travel. Please refer to the DEFRA website at defra.gov.uk for further details.

Environmental statement.

At Cunard, we take our environmental responsibilities very seriously and are committed to reducing our environmental impact.

We are dedicated to preserving the marine environment in which we operate, and therefore believe it is our duty to introduce environmental practices, which set a high standard of excellence

and responsibility. To support our aim we have developed an environmental management system independently certified to ISO 14001, which is the most widely recognised global standard for improving environmental performance.

We recognise that without appropriate treatment the waste generated on board our ships, together with the fuel and other products we use to transport, feed, entertain, and take care of you, could have an impact on the environment. Our waste treatment facilities ensure that all waste water is appropriately managed to minimise its impact upon the oceans. All general waste is treated on board to reduce its volume prior to landing ashore, and wherever possible general waste is recycled. We are reducing our air emissions through the implementation of fuel efficiency measures, including improved hull coatings, low energy lamps, increased recirculation of waste heat, and improved efficiency in air conditioning, and we continue to explore new technologies. To help us meet this aim we have an externally certified Energy Management System certified to ISO 50001.

Through these measures and other initiatives Cunard will ensure that we help preserve our environment for future generations.

If you're unable to find what you're looking for within these pages visit: [cunard.com/en-gb/frequently-asked-questions](https://www.cunard.com/en-gb/frequently-asked-questions) for a wealth of information.

What's included in my fare?

See page 36 for details.

Do I need a passport, visa, or vaccinations?

All guests must have a valid passport, and some itineraries require you to obtain a visa before departure. Vaccinations will depend on where you are travelling to. Full details of these requirements are on pages 158–159.

Do I need to take out travel insurance?

Yes. It is a condition of the contract that you obtain travel insurance to cover the risk of you needing medical care on board or in a foreign country. We have a relationship with Holiday Extras who can offer comprehensive travel insurance covering our requirements. You'll find further details on page 169, and you can obtain a quote and full terms and conditions from [holidayextras.com/cunard](https://www.holidayextras.com/cunard) or by calling 0800 316 3061.

If I'm travelling alone, how will I meet people?

It couldn't be easier to meet people on board. Not only are you invited to a 'Welcome Cocktail Party' for all our guests, you might also want to consider joining a larger table for dinner, in order to get to know more of your fellow travellers. On board activities like classes and quizzes are a great way to make new friends. On all of our ships there are dance hosts to accompany dancers in a waltz or rumba.

What do I wear on board during the day?

You'll need to pack a range of summer or warmer clothes, depending on your itinerary and the time of year you travel. On board during the day, you'll probably find yourself

most comfortable in stylish casual wear, including shorts and smart jeans. Swimming costumes, micro shorts, sarongs, and gym wear should be reserved for the poolside, on deck, or in the spa and fitness centre. We request that swimwear must be covered up before entering any enclosed areas.

Is there a dress code on board?

During the day, relaxed dress is welcomed in all areas around the ship. The only exception is Afternoon Tea, when we kindly request smart casual attire to be worn. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants, and entertainment venues.

On our much-anticipated Gala Evenings, we invite you to dress to impress and celebrate with us. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.

Please refer to your Daily Programme on board for more information.

As a guide, there are two Gala Evenings per week. Details of daily dress codes, Gala Evenings, and themes can be found on My Cunard at [cunard.com](https://www.cunard.com) in the calendar view of your cruise. The evening dress code will also be specified in your ship's Daily Programme the evening before.

What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship – forward, midships, or aft – whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2 – pages 126–129, 143–145
Queen Victoria – pages 130–133, 146–148
Queen Elizabeth – pages 134–137, 149–151
Queen Anne – pages 138–141, 152–154

When choosing your accommodation you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midships). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts, or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview grades on the higher decks, especially those in the forward and aft positions with

a balcony, provides the most scenic way to watch the ever-changing views.

What is a hotel and dining service charge?

From your waiters and stateroom stewards, to the many more people providing support behind the scenes, every Cunard crew member puts their heart and skill into ensuring you experience Cunard's legendary White Star Service. To ensure crew in these areas are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account, and every dollar collected goes directly to the crew members. There is no administrative fee.

Of course, should you wish to individually reward any other crew member who has made your time on board particularly memorable, please feel free to do so.

Casino, Bar, Wine, and Spa personnel do not share in the hotel and dining service charge, as not all guests use their services.

How are these charges calculated?

Amounts vary by stateroom category as follows:

Queens and Princess Grill Suites

\$13.50 per person per day

Britannia Staterooms

\$11.50 per person per day

Naturally, you are free to reward any member of the crew over and above these amounts at your discretion.

What is the currency on board and how do I pay for items I buy?

The currency on board all our ships is the US dollar. For your convenience all of our ships operate a cash-free environment. To make any purchases on board you just need to present your Voyage card. Our ships do not accept cash, except at the Purser's Office for the purchase of foreign currency, and the settlement of your account. In order for charges to be posted onto your account you will need to register your credit card via online check-in or before boarding the ship. All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash, please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

How do I register my credit card?

You will be able to register your credit card via our online check-in website, My Cunard or before boarding the ship in the terminal. All credit card details are encrypted.

We accept the following major cards, Visa Credit, Visa Debit, MasterCard, American Express, Diners Club, and Discover. We are unable to accept Solo, Maestro, Switch, and any pre-paid credit cards.

How can I avoid issues with my credit card?

When you register a credit or debit card to cover your on board spending, an amount of \$100 will be authorised on your card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured \$100. The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation. If your voyage is longer than 28 nights your credit card will be charged mid cruise and at the end. Please therefore ensure that you have sufficient funds to settle your account.

On occasion, some authorisations can remain on your card account for up to 28 days. You may therefore want to contact your card provider on your return to release these authorisations.

Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a security alert and your card being referred.

When will I receive my boarding pass and itinerary information?

Approximately 35 days prior to your departure date, your electronic documentation will be available through My Cunard at [cunard.com](https://www.cunard.com). This includes information relating to any hotel stays or land tours booked.

How will I know which Shore Experiences are available?

Booking online

Shore Experiences will be available to book on My Cunard from approximately one year prior to departure, and will require payment in full at the time of booking. This method of booking gives you the best chance at getting your first choice of experiences before spaces run out.

Booking on board

You may book Shore Experiences on board, which will be charged to your on board account, to be settled at the end of your voyage.

The cancellation deadline is 48 hours prior to each port.

Tour tickets, once booked, are subject to a 10% cancellation fee if returned to the Tour Office prior to the deadline.

Tour tickets returned within 48 hours of arrival in port are subject to a 100% cancellation fee.

What if I feel seasick?

Don't worry – your ship's doctor is always on hand with a remedy. Seasickness is best countered with an injection or tablets, which should soon have you feeling well again and settle you for the duration of your stay on board.

Is there enough to do during days at sea?

Yes, plenty. You'll be amazed by just how much there is to do. From deck sports, friendly quizzes, and dance classes, to fascinating talks and movies, there's so much to choose from. Your ship's Daily Programme (delivered to your stateroom each evening) has full details of all the activities, events, and entertainment happening the next day.

Is there a spa and salon on board?

All our ships feature Mareel Wellness & Beauty. Taking inspiration from the oceans on which our ships sail to indulge mind, body and soul. We invite you to relax, and enjoy renewed energy, coupled with improved health and appearance with comprehensive spa, beauty, and fitness facilities on board.

For details of the spa services available on board please visit My Cunard at [cunard.com](#).

Can I travel when pregnant?

Guests who will have entered their 24th week of pregnancy, or beyond, at any point in their holiday, unfortunately will not be permitted to travel with us, in line with our pregnancy policy. If you require further information then please call us on 03453 550 300*.

Can disabled guests travel?

This section relates to all matters involving mobility disabilities, wheelchair, and mobility scooter use; sensory and auditory disabilities including blind and/or deaf persons; as well as any other disability which may affect your enjoyment of your time on board.

Before making a booking, please familiarise yourself with clauses 18-24 of the Booking Conditions in this brochure (see pages 172–175). All guests requiring specific assistance, facilities, or equipment on board, or wishing to bring such equipment on board, must advise Cunard at the time of booking and are required to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements.

All of our ships cater for guests bringing wheelchairs or mobility scooters. With lifts and wheelchair accessible routes to all public rooms, and the vast majority of deck areas, as well as a number of staterooms adapted for wheelchair users, we aim to make your stay as relaxing and comfortable as possible. Please note that our wheelchair accessible staterooms are strictly reserved for use by guests who are bringing wheelchairs or mobility scooters, or who have a requirement for the adapted facilities offered by these

staterooms. Cunard reserves the right to require guests who have booked this accommodation without due reason to move, at their own expense if necessary, to make room for another guest who requires this facility.

Our wheelchair accessible staterooms are built to ADA (Americans with Disabilities Act) standards and it is not possible to make any temporary additions, or make structural changes, to these staterooms for specific guests.

If you are planning to bring a wheelchair, mobility scooter, or any other specialist equipment on board with you, it is essential that you let us know at the time of booking, or as soon as the need is known so we can advise you appropriately. Mobility scooters will only be permitted on board if guests have booked into a wheelchair accessible stateroom, or suite, as these are the only types of accommodation where mobility scooters can safely be stored. Part-time wheelchair users travelling in non-wheelchair accessible staterooms must bring a collapsible wheelchair, to ensure the wheelchair can safely fit through their stateroom door and be accommodated in their stateroom.

Please note that for the safety of the ship and everyone on board, all wheelchairs, mobility scooters, and other aids to mobility, must be stored inside your stateroom when you are not using them. Failure to comply with this important safety rule may mean you are disembarked and refused future travel.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew are always very helpful, they are only able to provide limited assistance in helping you move around the ship. For this reason, and in order to ensure the safety of you, the ship, and all others on board, we recommend guests with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair, or communication support, to be accompanied by a personal assistant/travelling companion to provide these services. Blind/Visually Impaired guests are recommended to travel with a companion who can help you get your bearings and assist you both on board and ashore.

Our crew can provide limited arm assistance and information or directions, but we cannot provide sustained or long-term assistance. If you travel alone but it becomes clear that you are unable to cope on board, you may be required to discuss the situation with a member of the ship's company and in extreme circumstances, you may be asked to disembark the ship at your own expense.

Please complete the questionnaire PDF downloadable from <https://www.cunard.com/en-gb/email-campaigns/accessibility-questionnaire> and email it to us at accessibility@carnivalukgroup.com

Mobility Ashore.

Accessible Shore Experiences are a category of our Shore Experiences programme that are wheelchair-accessible. They have been selected and adapted for guests who use a wheelchair primarily, though if spaces are available nearer to departure, they may be offered to guests using other walking aids such as a walking frame. On these excursions, you can enjoy the freedom to explore ashore accompanied by a companion, knowing that our team has assessed your shore experience for accessibility in advance.

Destinations to explore

Accessible Shore Experiences are available in a wide range of incredible destinations, and will begin with the word 'accessible' on My Cunard. Like any other shore experience, they are available to book up to 365 days before departure. If you have reduced mobility, or use a walking aid, but are not a wheelchair user, please note that a range of 'leisurely' Shore Experiences is also available. These offer a slower, more relaxed pace. To find them, simply use the 'low activity' search filter when browsing Shore Experiences in My Cunard. The various activity levels for every individual shore experience are also stated in 'Important information'. Accessible Shore Experiences are offered in destinations where there is an adequate supply of suitable transportation. Some smaller or more remote ports may not provide suitably equipped vehicles. However, we are continuously working with our local providers to source and invest in suitable transport, so please check back from time to time if you're interested in exploring a particular port.

Getting ashore

When choosing your voyage, please bear in mind that it may not be possible for wheelchair users to get ashore at some ports of call. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship's brow, to give all wheelchair users easy access to shore. We do our very best to make sure that all guests can get ashore in as many ports as possible, although there will be times when it is not possible to deploy the ship's brow. This is normally due to ports with a large tidal range, where a relatively shallow ramp may unavoidably become too steep to use safely during the course of the day with tidal movements. Some examples of ports with a large tidal range (but not an exhaustive list) are Bilbao, La Coruña, Le Havre, La Rochelle, Lisbon, Zeebrugge, Canary Island ports, Hamburg, Boston, Halifax, Portland, Québec, and San Francisco. This policy is in the interest of guest safety.

Planning and availability

Our shore experience descriptions set out to offer practical advice based upon our operating practice. You can find the full range of Shore Experiences on My Cunard, by logging in once you have booked your voyage using your booking reference. We would

strongly advise you to read the descriptions to make sure that your chosen experience is suitable for your personal requirements. We use our best efforts to obtain appropriate transport, although it is not always possible for us to secure fully accessible vehicles. Please note that – due to applicable safety requirements, the design of the ship, or port infrastructure and equipment – in certain ports of call, it may not be possible for us to offer a shore experience programme suitable for guests who are not able to board a coach via the steps. Please be aware that in consideration of health and safety, tour providers/coach operators reserve the right to refuse carriage to any guest who is unable to negotiate the steps of the coach independently*. Taxis are usually available for hire close to the ship's berth, should guests wish to travel independently**.

For further information, please contact our specialist accessibility team on 03453 550 300* (Monday-Friday 9.00am-5.00pm) or by email at accessibility@carnivalukgroup.com.

*This does not apply to lift coaches for full-time wheelchair users.

**Subject to local Covid-19 guidelines at the time of travel.

Can I change my holiday after booking?

Please see Booking Conditions clauses 12–17 and clause 38 on pages 172–175.

Joining and leaving your ship.

Can I check-in online?

In certain embarkation ports guests will be invited by email to check-in online before travelling to join the ship. We recommend checking in online to enable a more timely boarding.

How do I join my cruise?

You can make your own way to the port or airport. Alternatively, why not take advantage of our Cruise Connections, with its comprehensive range of air and chauffeur services? To find out more, please see pages 124–125.

How much luggage can I bring?

On voyages sailing and returning to Southampton, you can bring as many bags as you can comfortably fit into your stateroom. Please attach a Cunard issued luggage label to each item of luggage, as they are essential for quick delivery to your stateroom. Please bear in mind when you are packing that the weight of an individual piece of luggage must not exceed 23kg to ensure safe handling. If each individual piece of luggage exceeds 23kg you will be delayed at embarkation and may be asked to remove items or re-pack your bags. You may also find that your

luggage is delayed at disembarkation if any of your bags exceed this limit.

On voyages involving flights, baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at [cunard.com](#). While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

If I wish to stay in Southampton the night before or after my cruise, can you suggest a hotel?

Yes, we have negotiated special rates on your behalf at the DoubleTree by Hilton Southampton hotel, and our new Flagship hotel, Southampton Harbour Hotel & Spa. You'll find details on [cunard.com](#).

Can you suggest a hotel near Heathrow or Gatwick airport?

Airport hotels are available in the UK if your holiday includes an overseas flight. For details on how to book please visit My Cunard at [cunard.com](#).

If sailing from Southampton, at what time do I have to check in?

To ensure a relaxed start to your cruise we operate a staggered arrival schedule. Your embarkation time will be advised via your online check-in boarding pass.

What happens to my luggage in Southampton?

When you arrive at the terminal, your luggage will be collected by a porter, screened by security, and delivered directly to your stateroom for your convenience.

What time does the ship depart from Southampton?

The ship will generally leave Southampton at around 4.30pm, although this may change depending on how many ships are in Southampton on the same day and for other operational reasons. Your embarkation time will be shown on your boarding pass. All guests must be on board no later than an hour before departure.

What time does the ship arrive in Southampton?

The ship will generally arrive into Southampton at around 6.30am. Guest disembarkation usually takes place between 8.00am and 11.00am, subject to operational approval.

Where does the ship depart from in New York?

Cunard uses both Brooklyn and Manhattan Cruise Terminals, so please ensure that you check your documents for confirmation of which terminal you will be departing from. Guests arriving by private car should be dropped off with luggage at the terminal curb side before proceeding to either the on-site or off-site parking. Upon entering the terminal, guests will be directed towards the security, guest screening, and check-in area.

Can I send my luggage in advance?

Yes, you can in a selection of popular ports around the world*. Cunard's White Star Luggage Service is the perfect alternative to transporting your own luggage and is also the perfect option for those who choose to extend their travels pre- or post voyage.

Please search White Star Luggage Service at [cunard.com](#) or phone our team on 033 0808 1294.

*Not available in all ports of call.

What about flight details?

We may not know exact details of your flights at the time of going to press, or at the time of booking. However, your flights will be on scheduled flights or recognised charter airlines (operated under Cunard's CAA ATOL Licence number 6294). Please see pages 124–125 for details. Once your flights have been confirmed you will be able to view the details on My Cunard at [cunard.com](#).

What happens to my luggage at the end of the cruise?

On your final night on board, you will be asked to pack your luggage and leave it outside your stateroom. We recommend that you do not pack valuables, fragile items, or medication.

On the morning of disembarkation, after you have come through Customs, your luggage will be waiting in the cruise terminal for you to identify and reclaim. In the terminal, your luggage will be arranged in the luggage reclaim area according to the colour coded labels, which will be provided to you prior to disembarkation. As many bags are similar in appearance, please check each luggage label to ensure you are claiming your own luggage.

After retrieving your luggage and exiting the terminal building, you will be directed to awaiting coaches, taxis/executive cars, and car parking. Guests with cars may first retrieve their car and then pick-up luggage and fellow travellers. If you have purchased a Cunard ship-to-airport transfer or hotel stay, you will be directed by uniformed Cunard representatives to the transfer departure point. If your friends or relations are meeting you at the terminal, please be advised that disembarkation may take up to four hours after the scheduled arrival of the ship, in order to clear immigration and customs formalities. Disembarkation generally takes

place between 8.00am and 11.00am.

For Fly-Cruises, luggage will be taken from outside your stateroom to the cruise terminal, where you will need to reclaim it and take it through Customs.

What are anchor ports and possible anchor ports?

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol ^A or ^{PA}. Where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers.

In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6"/0.15m to 8"/0.20m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely. If you use a wheelchair or a mobility scooter, you will be permitted to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/mobility scooter and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/mobility scooter. The crew will endeavour to assist you where practical and safe to do so, and providing that no individual part of the wheelchair or mobility scooter weighs more than 20kg.

Is the port always the main destination?

Usually, although there are some exceptions where the main places of interest are not on the coast, but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown with the port in brackets, e.g. Rome (tours from Civitavecchia). At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service, or a city transfer service.

With Cunard Fares, shuttle buses will be offered free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type. Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

Can I get foreign currency on board?

You may exchange your money into local currency for most ports of call, however there are certain ports for which the ship is unable to carry the currency. In such cases, the ship will advise which currency is best to take ashore. Please remember that we can only accept back the currencies we sell on board and only in the denominations that we sell.

Foreign currency can be charged to your account if you have a credit card registered, or if your account has sufficient cash credit to cover the transaction. There are limits on the amount of currency that can be exchanged, whether you are using a registered card or cash (\$500 per day with a maximum \$2,500 per seven consecutive days, and a maximum of \$10,000 per 30 consecutive days). This is to ensure that we comply with anti-money laundering laws. We are unable to accept either personal cheques or traveller's cheques. We are also unable to accept €500 notes at any time for currency exchange transactions.

If you require cash-back for any reason whilst you are on board you may charge this to your account. There is a daily limit of \$500; a \$2,500 limit per seven consecutive days; and a \$10,000 limit per 30 consecutive days; against a registered credit card.
